

# Want to understand IHE XDS better? Plan to develop or integrate to document sharing or imaging solutions?

## SIGN UP FOR THE ADVANCED XDS TRAINING 20.-21.3.2017!

**IHE Finland and HL7 Finland organize a two-day advanced XDS training course in Helsinki on 20.-21.3.2017!**

This 2-day training course offers the participants hands-on experience with XDS/XDS-I and XCA/XCA-I based infrastructures. The focus will be on common data flow patterns of such infrastructures, e.g. making an image available via XDS-I/XCA-I or retrieving a document using XDS/XCA.

As a secondary goal the training course aims to familiarize the participant with testing and simulation tools so they can be used after the training course itself.

### TARGET AUDIENCE

This hands-on training course is aimed at those involved with the development, implementation, testing, deployment and support of IHE XDS-I/XCA-I based systems and architectures.

### LEARNING GOALS

At the end of the training course, the attendees will be able to:

- In client scenarios (e.g. as an image viewer application): store images in a XDS-I and XCA-I based infrastructure, fetch images from a XDS-I and XCA-I based infrastructure
- In server scenarios (e.g. as an image archive application): Enable the local image archive to be XDS-I/XCA-I compliant, inclusive of the creation of a XCA-I gateway.

### TRAINERS

The trainers are renowned international experts on HL7 and IHE integration platforms in healthcare.

**René Spronk** (Ringholm, <https://nl.linkedin.com/in/renespronk>) will focus on the various presentations which cover the details of the various transactions, as well as on the exercises.

**Eric Poiseau** (IHE Services, <https://fr.linkedin.com/in/ericpoiseau>) will focus on the tooling being used to support the various exercises, as well as on the exercises themselves.

### PLACE AND PRICE

The training is organized in Kuntatalo, Toinen Linja 14, 00530 Helsinki.

For members of HL7 Finland and IHE Finland	800 € + vat
For others	1500 € + vat
